Memorandum

Date: January 7, 2011

To: Family Day Care Homes

From: Scott Clements, Director
Office of Child Nutrition

Subject: Child Nutrition Reauthorization 2010:
Area Eligibility for Family Day Care Homes

The Healthy, Hunger-Free Kids Act of 2010 (the Act), Public Law 111-296, was signed into law by the President on December 13, 2010. The Act modifies the requirements for using area eligibility data to make tiering determinations for family day care homes participating in the Child and Adult Care Food Program (CACFP). The purpose of this memorandum is to provide guidance on the implementation of this modification in CACFP.

Section 121 of the Act amends section 17(f)(3) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766(f)) to allow family and group day care homes to be classified as tier I for purposes of reimbursement under CACFP if the home is located in an area served by any school in which at least 50 percent of the enrolled children are certified eligible for free and reduced-price school meals. Previously, only the enrollment of the local elementary school could be used to determine tier I eligibility. This provision is retroactively effective to October 1, 2010.

To facilitate implementation of this provision, we have attached the most recent Free/Reduced percentage report with current area eligibility data for all middle and high schools. Sponsoring organizations are required to re-evaluate the classification of all tier II homes and reclassify homes that now qualify for tier I rates using the expanded school data. Further, homes reclassified as tier I using the expanded school data may be eligible to receive the higher tier I reimbursement rates for all meals served from October 1, 2010, to the day of reclassification as a tier I home.

Sponsoring organizations must submit amended claims for reimbursement for October, November, and December 2010 to the State agency by February 28, 2011.
